RE: "YMCA Leaders Corps in James Bay and Traditional Cree Leadership: Intercultural Lessons in Leadership, Well-Being, Reciprocity & Reconciliation"

Dear Christina and Cecil,

I am pleased to confirm that the Moose Cree First Nation John R. Delaney Youth Centre has agreed to partner on the development of this project. As noted at the initial planning meeting held this January this project can have a very important and positive impact on our youth and help build on the legacy of the late John Delaney, after whom this centre is named, as well as so many other teachers and models of leadership in our community.

I am looking forward to working with you and other members of the steering committee on this project for the benefit of the youth of our community.

Sincerely,

Doug Jeffries
Director of Youth Services
